New English language to use is a challenging course that really forces students to use English through productive, communicative tasks. With a strong focus on acquiring vocabulary, the course also helps students expand their knowledge through reading, culture and CLIL. Integrated videos and slideshows help themes come to life in the classroom! The new English language in use offers extensive work of interconnected skills, as well as communication tasks in extended sections of everyday English. There are also opportunities for collaborative design work, as well as frequent evaluation opportunities. Get students to really use English! To demonstrate all the components of the course, click on the New Books and Demonstrations icon on the right. The innovative structure of the New English in Use division has an innovative unit structure that focuses on communication and skill integration. Get your students interested! Texts and themes are carefully selected to appeal to teenagers, introducing them to the culture and literature of the English-speaking world. Enjoy learning new English in use enhances the overall knowledge of students through exercises that are fun and challenging. Each unit includes videos of specially rated functional language videos, as well as original and interesting cultural videos. Plus so far, genuine and interesting video links. Interactive class Fully interactive student book and work book plus additional presentations in the classroom: games, slideshows, grammatical animation, video, additional practice, vocabulary presentations and exam practice. Interactive students can review with interactive language activities and games for each unit on their computers and tablets. With WordApp, students can practice unitary vocabulary on mobile phones anytime, anywhere. Components for Student Components for the Teacher's Guide (intertwined with a student's book) AudioTeacher's All-in-One PackDigital Resource Teacher in the Teacher's Area with:- Interactive class with fully interactive one pack materials in an edited Word-Burlington ESO Grammar Factory format with ready-to-use grammar exercises and a diverse grammar exercise bank, allowing teachers to create their own exams at the touch of a button and save them for future use - Burlington ESO Culture Bank with cultural and interclass screens and quizzes All English teacher materials videoAll is FREE for Burlington users.
