For one particular leader, his hobby of choice spends his fortune on women buying sex slaves naturally. In his luxurious mansion in the most remote places, he spends time, shoeing his pets away from prying eyes. An acquaintance of his shares the same pastime, and the two one day decide to compete to see who can train the best sexual servants. At the same time, the amnesia of the young lady appears on the doorstep, not understanding what awaits as the game begins. The police were unable to help, and one brave journalist decides to conduct his own investigation. She knows the nymphs are disappearing at the subway station. One evening, a journalist goes to a subway station to find out the details of the deaths. Suddenly someone hits the chicken on the head and she loses consciousness. Waking up a couple of hours later, the chicken sees that she is completely naked. She's in some old cave. The light from the lamp covers the outline of the figure with a bag on the head. The chicken's heart misses a beat. She was captured by a rapist, what did the papers write about? What are we going to do. So you have to learn the history of the chicken and play this interactive 3D flash game. I assure you, your sexual fantasies will be realized 100%. Let's start the game at the moment. All the newspapers wrote about him, but the police could not catch him. Thus, a gorgeous and great woman was captured by a rapist. She went down to the subway to get home. But suddenly she was stunned and dragged into a strange and dark basement. Turns out she was kidnapped by a maniac rapist. And now he will mock and mock this big. He fucked her in the ass and ass. He will whip her strap on and insert a gag into her mouth so that the woman stops screaming. He's going to humiliate her. She was captured, and she has no choice but to meet the fucking-lucky maniac over and over again. So let's start playing this 3D BDSM game right now.
